

Dear Helen

Thank you for consulting Sport England in respect of the details relating to the variation of conditions associate with planning approval 62969.

The variation of condition relevant to Sport England is condition 37 and its informative.

1. Sport England do not have any objection to the amended wording except for the last bullet point.

A scheme of ~~playing field~~ maintenance and management.

The word playing field has been deleted but not replaced with anything so it is not clear what the scheme of maintenance and management relates to. I suggest including the wording 'cricket club facility' in place of playing field to provide consistency with the amended wording throughout this condition.

2. Informative – no objection.

Yours sincerely,
