

Building regulation drawings can be used for building estimates, however for an accurate quote builders must attend site as these drawings do not account for all aspects of the building works.

Technical drawing of a rectangular structure, likely a wall or partition, showing a plan view. The drawing includes a central rectangular area with a width dimension of 2455.0 and a height dimension of 2455.0. The structure is defined by a thick black line on the left and a thin black line on the right, with a small gap between them. The dimensions are indicated by vertical lines with arrows and numerical labels.
