I have revised the wording of the condition so that works to the school buildings can commence, requiring just the details of the fence before works start to this element of the scheme -

No works which involve the boundary fence hereby approved shall commence unless and until a method statement for the installation of the front boundary fence has been submitted to and approved by the Local Planning Authority incorporating appropriate pedestrian protection measures and retention of adequate pedestrian facilities/access arrangements on the adjacent adopted footways that abut the site. The measures subsequently approved shall be implemented and maintained for the duration of the works that affect the adjacent adopted highway.
