

72585 – 83 Holcombe Old Road, Ramsbottom

Demolition of existing single storey garage; Erection of single storey garage

The revised plans 25.676.12B, 25.676.13A and 25.676.11C are acceptable.

Subject to a materials condition for samples of natural slate, natural stone and timber for the elevations and doors, the revised scheme would preserve the character and appearance of that part of the conservation area.
