PART 1 - Particulars of Application

Application Number: 69227

Date of Registration: 09/01/2023

Proposal:

Two storey extension at side and two/single storey extension at rear with juliette balconies at rear and alterations to existing roof; External alterations to include changes to windows/doors; Render to external elevations and Raised steps from South West side elevation and rear.

Location:

16 Turton Close, Bury, BL8 2EE

PART 2 - Particulars of Decision

The Bury Metropolitan Borough Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 that permission has been **REFUSED** for the carrying out of the development referred to in Part 1 hereof for the following reasons:-

- 1 The design of the proposed extension is neither appropriate to, nor sympathetic with the existing building, and would be detrimental to the visual amenity of the area. The proposed development therefore conflicts with the following policy of the Bury Unitary Development Plan:
H2/3 – Alterations and Extensions and associated Supplementary Planning Document 6: Alterations and Extensions to Residential Properties
- 2 The proposed extension would, by reason of its size, position, design and materials, be a prominent and intrusive feature in the street scene and would therefore, be seriously detrimental to the visual amenities of the area. The proposed development therefore conflicts with the following policy of the Bury Unitary Development Plan: H2/3 – Alterations and Extensions and associated Supplementary Planning Document 6: Alterations and Extensions to Residential Properties
- 3 The proposed lounge window to the front elevation to the north west corner would, by reason of its proximity to the boundary, result in an unacceptable reduction in the level of privacy currently enjoyed by the occupiers of 14 Turton Close. The proposed development therefore conflicts with Unitary Development Plan Policy H2/3

Alterations and Extensions and associated Supplementary Planning Document 6:
Alterations and Extensions to Residential Properties.

- 4 The proposed extension to the front elevation to the north west corner would be an overbearing addition and seriously detrimental to the residential amenities currently enjoyed by the occupier(s) of 14 Turton Close due to its proximity to the boundary. The proposed development therefore conflicts with the following policy(ies) of the Bury Unitary Development Plan: H2/3 – Alterations and Extensions and associated Supplementary Planning Document 6: Alterations and Extensions to Residential Properties
- 5 The proposed raised patio to the west side elevation would result in an unacceptable reduction in the level of privacy currently enjoyed by the occupiers of 14 Turton Close by reason of its height and proximity to the boundary. The proposed development therefore conflicts with Unitary Development Plan Policy H2/3 Alterations and Extensions and associated Supplementary Planning Document 6: Alterations and Extensions to Residential Properties.

Statement in accordance with Article 35(2) Town and Country Planning (Development Management Procedure) (England) (Amendment) Order 2015

The proposal would not improve the economic, social and environmental conditions of the area nor does it comply with the development plan and therefore does not comprise sustainable development. There were no amendments to the scheme, or conditions which could reasonably have been imposed, which could have made the development acceptable and it was therefore not possible to approve the application. The Local Planning Authority has therefore implemented the requirement in Paragraph 38 of the National Planning Policy Framework.

The following policies of the Bury Unitary Development Plan, National and Regional Government were considered relevant:

H2/3 H2/3 - Extensions and Alterations
SPD6 Supplementary Planning Document 6 - Alterations and Extensions to Residential Properties.

This decision relates only to the Town and Country Planning Acts and does not include any consent or approval under any other enactment or under the Building Regulations. Any other consent or approval which is necessary must be obtained from the appropriate authority.
