03 Proposed Roof Plan
Scale 1:50

The drawing is a technical architectural plan of a roof. It features a large rectangular area on the left side, which is subdivided into a grid of smaller rectangles, suggesting a series of roof panels or structural bays. To the right of this grid is a gabled section, represented by a triangle with a vertical line down its center. The entire roof plan is enclosed within a rectangular boundary. On the left side of the drawing, there is a double line, and on the right side, there is a single line. A north arrow is positioned in the bottom right corner of the drawing area.

Copyright in all documents and drawings prepared by the Surveyor and any works executed from these documents and drawings shall, unless otherwise agreed, remain the property of the designer and must not be reproduced by, lent or disclosed to, a third party without the written consent of Zach Thorp.

All dimensions are to be checked on site and any discrepancies to be referred to Zach Thorp before proceeding.

All discrepancies between information shown on the drawings and the information in the specification to be referred to the architect prior to proceeding.

Position of existing drain runs to be confirmed prior to proceeding and drains checked as necessary.

All relevant boundary positions are to be checked prior to proceeding
