

status PRELIMINARY

This drawing is a preliminary design and is not to be used for construction or for any other purpose without the prior written permission of the originator.

The originator shall have no responsibility for any liability, loss, cost, damage or expense arising from or relating to any use of this document other than for its intended purpose on this project.

This drawing shall be read in conjunction with all other relevant drawings, specifications and associated documentation. Any discrepancies, errors or omissions are to be reported to the originator when proceeding with work.

All dimensions are to be checked on site by the contractor prior to proceeding with any work.
