Description of Proposed Works

Please describe the proposed works

We would like to erect a perimeter fence on the Harlech Road side of our garden, which also follows the corner slightly round to the Beeston Grove side. We propose that the fence is 1.5metres to ensure that our children can play safely in the garden. We propose a wooden slatted fence that will be naturally varnished and we will also plant tall trees and shrubs behind.

We do not propose that the fencing should be higher than permitted development rights on the front garden and driveway. We plan to have low fencing and planting there as per the other houses on the street.

We did not realise that having high fencing on the side of our garden would be a problem which is why we erected the fence without applying for planning. I do apologise for this. We do want to plant as much greenery as possible for the aesthetics and the wildlife but we really would like to maintain a safe playing space for our children, and privacy for our whole family.

This is subject to exemptions, an exemption applies in relation to planning permission for a development which is the subject of a householder application, within the meaning of article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order (2015)*.
