

[illegible]

could force sub to proposed decision - wage to be last
mini 100 below floor level of 1000 and with room for
cauties to estimate ways to both wage/percu due to
bans untested/un-investigate belows technology need
not to be insured as docl however would suggest
that they are insured per address !!

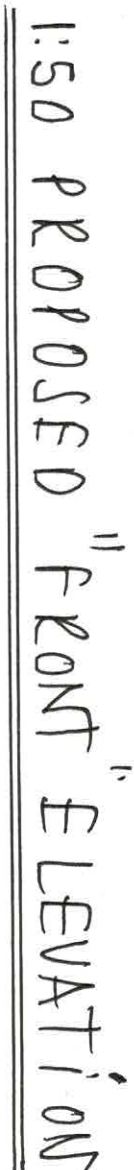

7. FORMER VELA/RESEARCHER USED DANGER ASSESSMENT AND SECTIONS 241 CODES COATED TO MATCH FITTED WITH SEALED DOUBLE CARTERS, TIDAL WELDER - SAFETY GAZED UNITS AS
