Description of the Proposal

Please note in regard to:

- **Fire Statements** - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. [View government planning guidance on fire statements](#) or [access the fire statement template and guidance](#).
- **Permission In Principle** - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- **Public Service Infrastructure** - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or [view government planning guidance on determination periods](#).

Description

Please describe details of the proposed development or works including details of proposals to alter, extend or demolish the listed building(s)

The proposals include the following works:

- to take up the ledgers from immediately around the church and relay around the boundary walls to prevent them becoming damaged further
- to resurface the informal car parking to the north of the church with a buff coloured material (ideally resin bound gravel if the budget permits) along with associated drainage to prevent puddling
- to repair and replace missing and damaged stone flags and copings around the wider churchyard
- to install a new pedestrian link path from The Wylde to the churchyard and memorial garden at 1500mm wide in order to prevent the potential for conflict with vehicles and to give disabled access into the memorial garden
- to alter the existing stepped access to the memorial garden from the south, to create a ramped access
- to carry out significant tree works following an in depth arboricultural survey to remove dead, diseased and damaged trees (including those afflicted with ash die back) and carry out replacement planting around the wider site
- to alter the existing raised circular tree pit at the western entrance to the memorial garden to allow for the existing dying tree to be fully removed and a new tree planted in its place
- replace the concrete flags around the existing sundial with sandstone stone flags
- replace the existing concrete flags and bitmac material around the war memorial with sandstone stone flags
- to install a metal interpretation panel

Has the development or work already been started without consent?

- ☐ Yes
☒ No

Proposed materials and finishes:

The parking area to the north of the church will have the stone ledgers replaced with a buff coloured material; ideally resin bound gravel should the budget permit. The stone ledgers will be relaid to the site boundaries to prevent further damage The unsympathetic materials used to the south of the church will be replaced with sandstone flags with a riven surface which are much more in keeping with the Grade I listed church. The existing stone flags to the memorial garden paths will be reused and relaid to form ramps rather than stepped access The new accessible path from the car park on The Wylde leading to the church will be a buff coloured resin bound gravel with stone edgings.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

(a) a member of staff

(b) an elected member

(c) related to a member of staff

(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
