Details of the pre-application advice received

Work was commenced on site in line with approved application 68828 when the building inspector visited the site to inspect the foundations it was found that the Sw and Fw drains ran parallel to back of the house and the foundations needed to be moved 500mm to comply with the inspectors criteria, to reduce the extension to 2.5m would have not been acceptable for the proposal to proceed so the Planning Officer was contacted. It was agreed that due to the extension being increased in size by a further 500mm to satisfy Building Control criteria and regularise the situation a new application must be submitted.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
