

## Furniture Schedule

PN6264 The Art Picture House, Bury  
REV - A

To be read in conjunction with PN6264 - AF03.  
All fabrics need to meet the **British FR** standards for contract upholstery, **CRIB 5**.  
Please note that some fabrics need **extra FR** treatment to meet the required standards.  
All existing furniture to be **refurbished** and **reupholstered**.

| Fixed Booth Seating                |                                                                                                                                                                                                    |                                                                                   |                                         |                                                                         |                                                                                     |
