To:

A Gaskell
ARG Design
2 Atlas Fold
Bury
BL8 1PD

On Behalf Of:

Mr & Mrs Howarth
5 Anderton Close
Bury
BL8 2HQ

PART 1 - Particulars of Application

Application Number: 66086

Date of Registration: 30/10/2020

Proposal:

Two storey front extension; single storey rear extension; part single storey / part two storey extension at side; boundary fence and planting to side, front and rear boundaries.

Location:

5 Anderton Close, Bury, BL8 2HQ

PART 2 - Particulars of Decision

Bury Metropolitan Borough Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 that permission has been **GRANTED** for the carrying out of the development referred to in Part 1 hereof in accordance with the application and plans submitted subject to the following conditions:-

- 1 The development must be begun not later than three years beginning with the date of this permission.
Reason. Required to be imposed by Section 91 Town & Country Planning Act 1990.
- 2 This decision relates to drawings numbered P.01, P.02 P.03,P.04 S1 received 13th January 2021 and P.05 S1 received 13th January 2021 and the development shall not be carried out except in accordance with the drawings hereby approved.
Reason. For the avoidance of doubt and to ensure a satisfactory standard of design pursuant to the policies of the Bury Unitary Development Plan listed.

Statement in accordance with Article 35(2) Town and Country Planning (Development Management Procedure) (England) (Amendment) Order 2015

The Local Planning Authority worked positively and proactively with the applicant to identify various solutions during the application process to ensure that the proposal comprised sustainable development and would improve the economic, social and environmental conditions of the area and would accord with the development plan. These were incorporated into the scheme and/or have been secured by planning condition. The Local Planning Authority has therefore implemented the requirement in Paragraph 38 of the National Planning Policy Framework.

The following policies of the Bury Unitary Development Plan, National and Regional Government were considered relevant:

H2/3 H2/3 - Extensions and Alterations

SPD6 Supplementary Planning Document 6 - Alterations and Extensions to Residential Properties.

SPD11 Development Control Policy Guidance Note 11 - Parking Standards in Bury

This decision relates only to the Town and Country Planning Acts and does not include any consent or approval under any other enactment or under the Building Regulations. Any other consent or approval which is necessary must be obtained from the appropriate authority.

Applicant Plan Numbers:

P.01, P.02 P.03,P.04 S1 received 13th January 2021 and P.05 S1 received 13th January 2021

NOTES TO APPLICANT

1. Electricity North West Informative

The development is shown to be adjacent to or affect Electricity North West's operational land or electricity distribution assets. Where the development is adjacent to operational land the applicant must ensure that the development does not encroach over either the land or any ancillary rights of access or cable easements. If planning permission is granted the applicant should verify such details by contacting Electricity North West, Land Rights & Consents, Frederick Road, Salford, Manchester M6 6QH.

The applicant should be advised that great care should be taken at all times to protect both the electrical apparatus and any personnel working in its vicinity.

The applicant should also be referred to two relevant documents produced by the Health and Safety Executive, which are available from The Stationery Office Publications Centre and The Stationery Office Bookshops, and advised to follow the guidance given.

The documents are as follows:-

HS(G)47 - Avoiding danger from underground services.

GS6 - Avoidance of danger from overhead electric lines.

The applicant should also be advised that, should there be a requirement to divert the apparatus because of the proposed works; the cost of such a diversion would usually be borne by the applicant. The applicant should be aware of our requirements for access to inspect, maintain, adjust, repair, or alter any of our distribution equipment. This includes carrying out works incidental to any of these purposes and this could require works at any time of day or night. Our Electricity Services Desk (Tel No. 0800 195 4141) will advise on any issues regarding diversions or modifications.

Electricity North West offers a fully supported mapping service, at a modest cost, for our electricity assets. This is a service which is constantly updated by our Data Management Team who can be contacted by telephone on 0800 195 4141 or access the website <http://www.enwl.co.uk/our-services/know-before-you-dig>

It is recommended that the applicant gives early consideration in project design as it is better value than traditional methods of data gathering. It is, however, the applicant's responsibility to demonstrate the exact relationship on site between any assets that may cross the site and any proposed development.

Signed:

A handwritten signature in black ink, appearing to read 'for havi'.
