Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

Thru-coloured Render finish to be applied to both the extension and the existing house. Existing rosemary style roof tiles to be existing house to be removed and replaced with a slate grey concrete roof tile.

Please state why you wish to make this amendment

The area of brickwork that would be left once the extension works are completed is limited to a very small area on the front elevation, part of which will be covered by the new porch and a limited area on the rear elevation which on reflection will look strange and gives the building a uniform finish. The plans actually show a render finish but the Approval (ref: 69390) notes materials to match existing.

In the case of the roof tiles, the original tiles are damaged and allowing water ingress so the roof is to be re-covered as part of the works. A larger concrete tile is to be used on the extension so for the reasons outlined with the render finish above we are proposing a matching tile finish on all pitched roofs.

The finishes proposed are commonplace on Barnhill Road so are considered appropriate and in character with the surrounding aerea.

It is an important principle of decision-making that the process is open and transparent.
