

YOUR FINAL VELUX DESIGNS

MITCHELL BARDSLEY

Horizontal mode is recommended on mobile

Visualization made in cooperation with the VELUX Group

HI MITCHELL, HERE ARE YOUR FINAL DESIGN RENDERS

YOUR VELUX RENDERS

Using our tools and your own photographs we
have created life-like renders showing your
what your space would look like with your new
VELUX roof windows installed.

Emma Huskie
Your Daylight Designer

I am part of a team of Daylight Designers who aim to help you bring more daylight into your home. I am excited to use my years of experience across multiple departments at VELUX to design a solution that brings your daylight dreams to life!
