Issues and Analysis

Condition 4

Following the provisions of Condition 3 of this planning permission, where remediation is required, the approved Remediation Strategy must be carried out to the satisfaction of the Local Planning Authority within agreed timescales; and

A Site Verification Report detailing the actions taken and conclusions at each stage of the remediation works, including substantiating evidence, shall be submitted to and approved in writing by the Local Planning Authority prior to the development being brought into use.

Reason. To secure the satisfactory development of the site in terms of human health, controlled waters and the wider environment and pursuant to National Planning Policy Framework Section 15 - Conserving and enhancing the natural environment.

The Environment Section has reviewed the information submitted by the application and has confirmed they are satisfied that the requirements of Condition 4 have been met and that this condition can be recommended for discharge for the following plots only: Plots 1, 2 and 60 - 68

Recommendation: Approve

Conditions and Reasons:

- 1 The following condition of application 69233 is part discharged:
Condition 4 - Prior to first use: Remediation Verification. Sufficient information has been provided to recommend that the condition be discharged for plots 1, 2 and 60 - 68 only.
