PART 1 - Particulars of Application

Application Number: 65994

Date of Registration: 27/10/2020

Proposal:

Two storey extension at front/side; single storey extension at rear; single storey front porch; first floor front extension.

Location:

33 Bland Road, Prestwich, Manchester, M25 9NW

PART 2 - Particulars of Decision

Bury Metropolitan Borough Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 that permission has been **GRANTED** for the carrying out of the development referred to in Part 1 hereof in accordance with the application and plans submitted subject to the following conditions:-

- 1 The development must be begun not later than three years beginning with the date of this permission.
Reason. Required to be imposed by Section 91 Town & Country Planning Act 1990.
- 2 This decision relates to drawings numbered GGS20055 001, GGS20055 002, GGS20055 003 Rev 2 and GGS20055 004 Rev 1 and the development shall not be carried out except in accordance with the drawings hereby approved.
Reason. For the avoidance of doubt and to ensure a satisfactory standard of design pursuant to the policies of the Bury Unitary Development Plan listed.
- 3 All trees to be retained on site and identified within the submitted tree report received 27th October 2020 shall be protected in accordance with BS 5837:2012 "Trees in relation to design, demolition and construction". The development shall not commence unless and until the measures required by the British Standard are implemented and all measures required shall remain in situ until the development has been completed.
Reason. To avoid the loss of trees which are of amenity value to the area pursuant to Policy EN1/2 - Townscape and Built Design and EN8/2 – Woodland and Tree Planting of the Bury Unitary Development Plan.
- 4 No works shall commence unless and until a scheme showing the location for 2 no.

replacement trees including size, species and location has been submitted to and approved in writing by the Local Planning Authority. The agreed replacements shall be planted in accordance with the submitted and approved mitigation scheme in the earliest planting season following the removal of trees (The planting season extends from October to the following March). If, within a period of 5 years from the date of planting, the tree (or any other tree planted in replacement for it) is removed, uprooted or destroyed or dies, another tree of the same size and species shall be planted in the same place, or in accordance with any variation for which the Local Planning Authority give their written consent.

Reason: To comply with the duties indicated in Section 197 of the Town and Country Planning Act 1990, so as to ensure that the amenity value of the existing tree or trees is maintained by the provision of adequate replacement(s).

Statement in accordance with Article 35(2) Town and Country Planning (Development Management Procedure) (England) (Amendment) Order 2015

The proposal complies with the development plan and would improve the economic, social and environmental conditions of the area. It therefore comprises sustainable development and the Local Planning Authority worked proactively and positively to issue the decision without delay. The Local Planning Authority has therefore implemented the requirement in Paragraph 38 of the National Planning Policy Framework.

The following policies of the Bury Unitary Development Plan, National and Regional Government were considered relevant:

H2/3 H2/3 - Extensions and Alterations
SPD6 Supplementary Planning Document 6 - Alterations and Extensions to Residential Properties.
EN1/2 EN1/2 - Townscape and Built Design
EN8/2 EN8/2 - Woodland and Tree Planting

This decision relates only to the Town and Country Planning Acts and does not include any consent or approval under any other enactment or under the Building Regulations. Any other consent or approval which is necessary must be obtained from the appropriate authority.

Applicant Plan Numbers:

GGs20055 001, GGS20055 002, GGS20055 003 Rev 2 and GGS20055 004 Rev 1

NOTES TO APPLICANT

1. There is a legal duty of care incumbent on the customer and contractor that all commercial waste generated as a result of the works hereby authorised is safely contained, transported and disposed of lawfully in line with the Environmental Protection Act 1990 and Environmental Permitting Regulations 2016 (as well as any other related legislation). Failing to do so can lead to individuals or organisations being prosecuted for unlawful waste management.
2. The applicant should note that this consent does not affect any private property rights and therefore does not authorise the carrying out of any work on land, or entering land outside his/her control. If such works are required it will be necessary for the applicant to obtain the landowners consent before work starts.
3. The applicant should note that under the terms of the Wildlife and Countryside Act (1981) (as amended) and the Conservation of Habitats and Species Regulations

(2010) it is an offence to disturb or harm any protected species, or to damage or disturb their habitat or resting place. Please note that this consent does not override the statutory protection afforded to any such species. In the event that your proposals could potentially affect a protected species you should seek the advice of a suitably qualified and experienced ecologist and consider the need for a licence from Natural England prior to commencing works. Please see Natural England's website for further information on protected species.
