5. Description of Proposed Works, Impacts and Risks

Please describe the proposed development:

We are proposing a change use from A5 Takeaway premises to C3 dwellinghouse.

Are any associated building works or other operations required to make this change?
Note that such works are restricted to those reasonably necessary to convert the building for use as a dwellinghouse (including partial demolition).

☐ Yes ☒ No

If yes, please provide details of the design and external appearance of the building in regard to these building works or other operations (including partial demolition):

5. Description of Proposed Works, Impacts and Risks (continued)

What will be the net increase in dwellinghouses:

Note that this figure should be the number of dwellinghouses proposed by the development that is additional to the number of dwellinghouses on the site immediately prior to the development.

Please provide details on the provision of adequate natural light in all habitable rooms of the dwellinghouses:

N/A.

Please provide details of any transport and highways impacts and how these will be mitigated:

There will be no negative impact to the highway, as the proposed use is for a single family dwelling which replaces the existing shop. We are not seeking an addition of overall number of hereditaments.

Please provide details of any contamination risks and how these will be mitigated:

N/A.

5. Description of Proposed Works, Impacts and Risks (continued)

Please provide details of any flooding risks and how these will be mitigated.

A flood risk assessment should accompany the application where the site:

- is in Flood Zones 2 or 3 (Check online: <https://flood-map-for-planning.service.gov.uk/>); or
- is in an area with critical drainage problems (Check with the Local Planning Authority, it will have been notified of such areas by the Environment Agency).

The property is not located near a waterway.

If the building's current use is a Launderette, please provide details of the impact on the adequate provision of local services based on the loss of the Launderette. For example:

- Would there be a reasonable prospect of the building being used as a Launderette going forward?
- Would unique Launderette facilities be lost from the area if the use is changed?

N/A.
