PART 2 - Particulars of Decision

The Bury Metropolitan Borough Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 that permission has been **REFUSED** for the carrying out of the development referred to in Part 1 hereof for the following reasons:-

- 1 The retention of the flue in its present form would be seriously detrimental to the residential amenities of nearby occupiers, by reason of the noise, smells and disturbance. The proposed development therefore conflicts with the following policies of the Bury Unitary Development Plan: S2/6 Food and Drink and EN7/2 Noise Pollution.
- 2 The retention of the flue in its present form would comprise a visually incongruous feature that would be seriously detrimental to the visual amenities of the area. The proposed development therefore conflicts with the following policies of the Bury Unitary Development Plan: S2/6 Food and Drink and EN1/2 Townscape and Built Design.

Statement in accordance with Article 35(2) Town and Country Planning (Development Management Procedure) (England) (Amendment) Order 2015

The proposal would not improve the economic, social and environmental conditions of the area nor does it comply with the development plan and therefore does not comprise sustainable development. There were no amendments to the scheme, or conditions which could reasonably have been imposed, which could have made the development acceptable and it was therefore not possible to approve the application. The Local Planning Authority has therefore implemented the requirement in Paragraph 38 of the National Planning Policy Framework.

The following policies of the Bury Unitary Development Plan, National and Regional

Government were considered relevant:

EN1/2 EN1/2 - Townscape and Built Design
EN7/2 EN7/2 - Noise Pollution
S2/6 S2/6 - Food and Drink
S2/3 S2/3 - Secondary Shopping Areas and Frontages
Area Area PR1 - The Longfield Centre/Bury New Road
