1. Introduction

1.1 This Digital Connectivity Statement has been produced to support an application for planning permission change of use and alterations (“the Application Proposals”) Deborah Scott (“the Applicant”) for the site known as The Poplars, Brandleshome Road.

1.2 This Statement has been prepared by Zach Thorp of Thorp Design Services.

2. Digital Connectivity Statement

2.1 Policy JP-C2 states this development to have full fibre to premises connections unless infeasible or unviable, with multiple-ducting. The policy supports the provision of free, secure, high-speed public wi-fi connections, particularly in the most frequented areas.

The screenshot displays a broadband deal comparison interface. At the top, a header asks 'Who's your current provider?' with a dropdown menu. Below this, a search bar shows 'Showing 10 of 87 deals which match your search'. The left sidebar contains filters for 'Sort by' (Most popular) and 'Filter by' (Average Speed and Monthly Price). The main content area shows two deals:

- BT Full Fibre 900:** 24 month contract, £0 set-up cost, 900Mb average speed, £35.99 monthly cost. Includes a £150 BT Reward Card.
- Vodafone Full Fibre 150:** 24 month contract, £0 set-up cost, 150Mb average speed, £24.00 monthly cost. Includes a £145 Choice of Voucher.

Both deals are marked as 'Online Exclusive' and have a 'See offer' button. The Vodafone deal also has a 'Full details' button and a note that the offer ends tomorrow.

The area currently has full fibre broadband as such the property will have a possible download speed of 900Mb.

This is perfect for all sizes of families/businesses for streaming, gaming, connecting multiple devices and supports digital phonelines. Connection has already been arranged.
