

PROPOSED
SITE PLAN (1:200)

The floor plan shows a two-story house with a garage on the left. The garage has a width of 2214 and a depth of 2728. The main house has a total width of 8015 and a total depth of 6075. The layout includes:

- Garage:** Located on the left, with a width of 2214 and a depth of 2728. It contains a car and a small storage area with four colored boxes (yellow, red, green, and grey).
- Lounge (Left):** Located on the left side of the main house, with a width of 3140 and a depth of 5375.
- Lounge (Right):** Located on the right side of the main house, with a width of 2500 and a depth of 4075.
- Kitchen Dining:** Located at the top of the main house, with a width of 5565 and a depth of 1700.
- Utility:** Located at the top right of the main house, with a width of 1700 and a depth of 4075.
- Staircase:** Located in the center of the main house, with a width of 2214 and a depth of 2728.
- Entrance:** Located at the bottom center of the main house, with a width of 2214 and a depth of 2728.

Architectural floor plan of the first floor. The plan shows a central hallway with a staircase leading up. To the left of the hallway are three bedrooms: a top bedroom (3140 x 2000), a middle bedroom (3000 x 2000), and a bottom bedroom. To the right of the hallway are a bathroom and a large bedroom. The overall dimensions are 6015 by 3247. The plan includes various doors, windows, and a central staircase.

A line drawing of a house. It has a chimney on the left side of the roof, a gabled roof, a small rectangular window on the left wall, a door on the right wall, and a small porch on the right side. The drawing is simple and uses only black outlines.

A line drawing of a two-story house. The house has a gabled roof with a chimney on the right side. The second floor has two windows, each with a small square window above it. The first floor has a large window on the left and a front porch with a gabled roof and large glass doors.

A minimalist line drawing of a house. The house has a large, empty rectangular body with a triangular roof. On the left side, there is a smaller rectangular section containing a window with a grid pattern. On the right side, there is a chimney with two vertical pipes on top. The drawing is composed of simple black outlines on a white background.

A line drawing of a two-story house. On the left, a chimney rises from the roof. The house has a gabled roof with horizontal lines indicating shingles. The front facade features a central entrance with a small gabled porch supported by two columns. The door has a vertical handle and a small window. To the left of the entrance is a large window with horizontal blinds. To the right is a brick wall with a window. The second floor has several windows, including a large one on the left and a smaller one on the right.

Architectural drawing of a two-story house. The house features a gabled roof with horizontal lines indicating shingles. A chimney is located on the right side of the roof. The front facade has a central double door with a transom window, flanked by two single windows. The side facade has a single window. A vertical dimension line on the left indicates a height of 7233.

A line drawing of a house. The house has a gabled roof with a chimney on the left side. The chimney has two pipes. The house is shown from a side profile, with a brick wall on the left and a plain wall on the right. The drawing is simple, using black outlines and cross-hatching for the brickwork.
