

**BURY COUNCIL**  
**DEPARTMENT OF OPERATIONS**

REF NO: 24/085

FROM: Head of Engineering

TO: Head of Development Management

---

Planning Application No: 70620

Location: 34 Newington Drive, Bury, BL8 2NE

Development: Front porch; Single storey rear extension (0.295 metres larger); Dormer extension at rear; Extension to existing 2 no. front dormers to form 1 no. dormer with new balcony, to be clad using uPVC; extension to front bay window; Relocation of front door and removal of side door; garage conversion including change from garage door to window; alterations to the existing vehicular access and replacement of dropped kerb; Alterations to rear garden and retaining wall/boundary.

---

**RECOMMENDATION**

I recommend that any planning permission given shall include the following conditions:

1. The amended access and parking arrangements indicated on the approved plans, incorporating the reinstatement of the redundant footway crossing to adjacent footway levels and 600mm high boundary wall abutting Newington Drive with foundations that do not encroach under the adopted highway, provision of a new double footway crossing, hardstanding in a permeable/porous material and/or measures to prevent the discharge of surface water onto the adopted highway, demarcation of the limits of the adopted highway and any associated remedial works required to reinstate the footway to its former condition prior to commencement of the development, shall be implemented to the satisfaction of the Local Planning Authority before the extensions and new parking facilities hereby approved are brought into use. (HY08 Amended)
2. The development hereby approved shall not be commenced unless and until facilities for the storage of construction materials have been provided within the curtilage of the site to the satisfaction of the Local Planning Authority. The facilities shall be retained for the intended purpose and the area identified shall not be used for any other purposes other than the storage of construction materials for the duration of the construction period.

**Reasons**

1. To secure the satisfactory development of the site in terms of highway safety, ensure good highway design and maintain the integrity of the adopted highway, all in the interests of highway safety.

Cont/.....

2. To maintain the integrity of the adopted highway and ensure adequate off highway materials storage arrangements are provided for the duration of the construction period, in the interests of highway safety.

### **Comments and Observations**

1. This recommendation relates to the revised plan received by this Section on 02 May 2024. (N025 Amended)
2. The applicant's attention is drawn to the need to consult the Department of Operations regarding the specification for and implementation of the required highway works. The cost of the works will be the responsibility of the applicant. (N004 Amended)
3. The applicant's attention is drawn to the requirements of Section 179 of the Highways Act 1980 which prohibits the construction of any foundations required for the boundary wall under the adjacent adopted highway.

Date: 02 May 2024
