Please note in regard to:

- Fire Statements - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. View government planning guidance on fire statements or access the fire statement template and guidance.
- Permission In Principle - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- Public Service Infrastructure - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or view government planning guidance on determination periods.

Description

Please describe details of the proposed development or works including details of proposals to alter, extend or demolish the listed building(s).

The Old Hall, Chesham Crescent - I would like to apply for consent to carry out critical and urgent maintenance works to the names property. The works consist of repairs to chimneys, roof, pointing, lead work, gutters windows and doors externally. Internally a scheme of redecoration and refurbishment to areas of damp and decay. The general approach is a heritage considered 'if it's not broken don't try and fix it' I.e, no hacking off large areas for the sale of it; carefully repair defective area.
There are no plans to alter or affect the features of special interest such as the stair case, decorative plaster etc.
