Subject: RE: 69361 Spurr House, Pole Lane, Bury

Good afternoon Dean

I acknowledge nearby schools concerns regarding safeguarding.

Crime analysis has been undertaken as part of the Crime Impact Statement, CIS, and this identified that volume of crime recorded in the neighbourhood was much lower than many areas with Bury or indeed Greater Manchester.

My colleague makes no reference to issues arising with pupils going to or from school in the Statement. He has concluded that Greater Manchester Police are happy to support the proposed school, subject addressing some concerns relating to roof access, perimeter security and access controls, and the imposition of a condition requiring adherence to the physical security specification set out in the Statement. Since the Statement was prepared, the applicant has addressed my colleagues concerns and this additional information has been forwarded to you and is available to view on the Council's planning portal. You have forwarded this information on to me and I have responded informing you of our continuing support for the proposals.

Kind regards
