& CHANGE 2No WINDOWS TO 2No DOUBLE DOOR SETS INSTALLATION
OF EXTRACTION DUCT TO REAR
AT
460 BURY NEW ROAD, PRESTWICH
MANCHESTER M25 1AX

INTRODUCTION

The site is located off the Bury New Road, Prestwich.

The site sits just outside the Poppy Thorne conservation area.

The site was considered by Bury Council as a building of historic interest and value

The building was originally completed around the year 1900, and is constructed of red brick with stone lintols, cills, including dressed stone capping and corbel details to the front elevation facing Manchester Road all finished with grey slate roof.

The building was formally a branch of Barclays Bank and has lay empty for a few years.
