DEPARTMENT OF OPERATIONS

REF NO: 23/194

FROM: Head of Engineering

TO: Head of Development Management

Planning Application No: 69789

Location: 21 Sandy Lane, Prestwich, Manchester, M25 9RD

Development: Single storey front extension, conversion of garage, alterations to the existing vehicular access and extended dropped kerb

RECOMMENDATION

I recommend that any planning permission given shall include the following conditions:

1. The amended access and parking arrangements indicated on approved plan reference RC1133 2 revision A, incorporating the extension of the existing footway crossing, provision of boundary fence/railings abutting Sandy Lane and any required foundations that do not encroach on/under the adopted highway and hardstanding in a permeable/porous material and/or measures to prevent the discharge of surface water onto the adopted highway, demarcation of the limits of the adopted highway and any associated remedial works required to reinstate the footway to its former condition prior to commencement of the development, shall be implemented to the satisfaction of the Local Planning Authority before the extensions and new parking facilities hereby approved are brought into use. (HY08 Amended)
2. The development hereby approved shall not be commenced unless and until facilities for the storage of construction materials have been provided within the curtilage of the site to the satisfaction of the Local Planning Authority. The facilities shall be retained for the intended purpose and the area identified shall not be used for any other purposes other than the storage of construction materials for the duration of the construction period.

Reasons

1. To secure the satisfactory development of the site in terms of highway safety, ensure good highway design and maintain the integrity of the adopted highway, all in the interests of highway safety.
2. To maintain the integrity of the adopted highway and ensure adequate off highway materials storage arrangements are provided for the duration of the construction period, in the interests of highway safety.
