

Community Infrastructure Levy (CIL) - Form 1: CIL Additional Information

Determining whether a Development may be CIL Liable - For submission with Planning Application

This version of the form is for planning applications in England. If you are applying in Wales or Scotland, please refer to the relevant local authority guidance. Following the introduction of the Community Infrastructure Levy (CIL) all applicants for full planning permission, including householder applications and reserved matters following an outline planning permission, and applicants for lawful development certificates are required to provide the following information.

Privacy Notice

This form is provided by UK Planning Gateway, in line with the requirements set out by Government, for the sole purpose of submitting information to a Local Authority under the *Community Infrastructure Levy Regulations 2010 (as amended)*.

Once downloaded, this form and any data you enter remain entirely under your control. UK Planning Gateway does not have access to the contents unless you choose to submit the form through our service in accordance with our Terms and Conditions.

Upon submission, your Local Authority is responsible for processing your information and meeting its own obligations regarding data protection, information security, and any related legal or regulatory requirements. Please refer to the relevant Local Authority's website for further details.
