

Technical drawing of a rectangular frame. The drawing shows a large rectangle with a smaller rectangle inside it. The dimensions are labeled as follows:

- Top horizontal dimension: 6580.0
- Right vertical dimension: 16740.0
- Bottom horizontal dimension: 6835.0

The drawing is a technical representation of a rectangular frame, likely for a window or door, showing the overall dimensions and the internal structure.

Architectural floor plan of a house. The plan includes a kitchen, living area, patio, and grass. The overall dimensions are 5750.0 (width) and 19450.0 (depth). The kitchen area is labeled "KITCHEN" and features a high level slot window to be opaque. The living area is labeled "LIVING" and contains a sofa, armchair, and plant. The patio is labeled "PATIO" and is adjacent to the living area. The grass area is labeled "GRASS". A car is shown in the driveway, with a dimension of 3385.0. A note specifies a 1m high fence along the front elevation, starting from the corner and continuing around the corner at 1m high for 1.5m, then ramping up at 45 degrees until it is 1.8m high.

The floor plan shows a rectangular building layout. At the top is a bathroom labeled 'BATHROOM' containing a toilet, a sink, and a bathtub. To the right of the bathroom is a bedroom labeled 'BED 1' with a bed and a wardrobe. To the left of the bathroom is a staircase with an 'UP' arrow. Below the staircase is another bedroom labeled 'BED 2' with a bed and a wardrobe. At the bottom left, outside the building, are three rectangular bins labeled 'BINS'. The plan includes various doors, windows, and furniture like beds and wardrobes.

Building regulation drawings can be used for building estimates, however for an accurate quote builders must attend site as these drawings do not account for all aspects of the building works.
