Issues and Analysis

Unless a formal written objection is received from any of notified addresses as prescribed by the regulations, within the prescribed 21 days following the date of such notification prior approval will not be required as the proposed development complies with all the limitations and conditions of Part 1 Class A of the GPDO (as amended).

The dwelling is not Listed nor is it in a Conservation Area.

There is no enforcement and the proposed development would be on land wholly owned or controlled by the applicant.

Permitted Development Rights have not been removed.

The proposal would not take up more than 50% of the area of the curtilage, not including the area of the dwelling.

The proposal would not extend beyond the rear wall of the original dwelling by more than

than six metres.

The proposed development would not extend beyond a wall which forms the principal or a side elevation of the original dwelling and fronts a highway.

The overall height of the proposal would not exceed four metres and the height to the eaves would not exceed three metres.

Having regard to the above the proposal would be lawful as it falls within the limitations of Part 1 Class A to Schedule 2 of The Town and Country Planning (General Permitted Development) (England) Order 2015.
