

BURY COUNCIL
DEPARTMENT OF OPERATIONS

REF NO: 21/377

FROM: Head of Engineering

TO: Head of Development Management

Planning Application No: 67820

Location: 27 Cotswold Crescent, Bury, BL8 1QF

Development: Two storey side extension with extension of existing front and rear dormers; Single storey rear extension; Alterations to parking area at front

RECOMMENDATION

I recommend that any planning permission given shall include the following conditions:

1. The development hereby approved shall not be commenced unless and until facilities for the storage of construction materials have been provided within the curtilage of the site to the satisfaction of the Local Planning Authority. The facilities shall be retained for the intended purpose and the area identified shall not be used for any other purposes other than the storage of construction materials for the duration of the construction period.
2. The revised car parking arrangements indicated on approved plan reference 03 Revision S1, incorporating the provision of a new footway crossing, reinstatement of the redundant one, demarcation of the limits of the adopted highway, replacement boundary wall not exceeding 0.9m in height with foundations that do not encroach under the adjacent adopted highway and new driveway a minimum of 5.5m in length in a porous/permeable material and/or measures to prevent the discharge of surface water onto the adopted highway, shall be made available for use to the written satisfaction of the Local Planning Authority prior to the extension hereby approved being brought into use and thereafter maintained available for use at all times. (CAR1 Amended)

Reasons

1. To maintain the integrity of the adopted highway and ensure adequate off street materials storage arrangements for the duration of the construction period, in the interests of highway safety.
2. To secure the satisfactory development of the site in terms of highway safety, to allow adequate space to maintain a vehicle clear of the highway and maintain the integrity of the adopted highway.

Cont/.....

Comments and Observations

1. This recommendation relates to the revised plans received by the Council on 10 January 2022. (N025 Amended)
2. The applicant's attention is drawn to the need to consult the Department of Operations regarding the specification for and implementation of the proposed access alterations and associated footway remedial works. The cost of the works will be the responsibility of the developer. (N011 Amended)

Date: 10 January 2022
