PART 1 - Particulars of Application

Application Number: 72260

Date of Registration: 29/08/2025

Proposal:

Application for permission in principle for erection of up to 4 no. dwellings

Location:

Hilsden Farm Stables, Ringley Road West, Radcliffe, M26 1DW

PART 2 - Particulars of Decision

The Bury Metropolitan Borough Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 that permission has been **REFUSED** for the carrying out of the development referred to in Part 1 hereof for the following reasons:-

- 1 The proposed development site contributes strongly to Green Belt purpose (a) (unrestricted sprawl of large built-up areas) and therefore, the proposed development would fail the tests set out in Paragraph 155 in relation to Grey Belt Land.
- 2 The proposed development for 4 No dwellings on a 0.48ha site would not make optimal use of the potential of the site. Therefore, the proposed development would conflict with Policy JP-H4 of the Places for Everyone Joint Development Plan and Chapter 11, particularly paragraph 130 of the National Planning Policy Framework.

Statement in accordance with Article 35(2) Town and Country Planning (Development Management Procedure) (England) (Amendment) Order 2015

The proposal would not improve the economic, social and environmental conditions of the area nor does it comply with the development plan and therefore does not comprise sustainable development. There were no amendments to the scheme, or conditions which could reasonably have been imposed, which could have made the development acceptable and it was therefore not possible to approve the application. The Local Planning Authority has therefore implemented the requirement in Paragraph 38 of the National Planning Policy Framework.

The following policies of the Bury Unitary Development Plan, National and Regional Government were considered relevant:

- H1/2 H1/2 - Further Housing Development
- H2/1 H2/1 - The Form of New Residential Development
- H2/2 H2/2 - The Layout of New Residential Development
- EN1/2 EN1/2 - Townscape and Built Design

EN6/3	EN6/3 - Features of Ecological Value
EN7/5	EN7/5 - Waste Water Management
