and the development shall not be carried out except in accordance with the drawings hereby approved.

Reason. For the avoidance of doubt and to ensure a satisfactory standard of design pursuant to the policies of the Bury Unitary Development Plan and Places for Everyone Joint Development Plan listed.

- 3 The development hereby approved within any approved phase shall not be brought into use until written confirmation is provided to the Local Planning Authority that unexpected or previously unidentified contamination was not encountered during the course of development works.

If, during development, unexpected contamination is found to be present on the site, no further works shall be carried out at the affected location until the following are submitted to the Local Planning Authority for approval:

- I. Risk Assessment (GQRA or DQRA);
- II. Remediation Strategy & Verification Plan;

If remediation is required, it shall be carried out in accordance with the approved Remediation Strategy. Upon completion of remediation works, a Verification Report shall be submitted for approval. The Verification Report must include information validating all remediation works carried out; details of imported materials (source/quantity/suitability); details of exported materials; and details of any unexpected contamination.

Reason. To prevent unacceptable risk to Human Health and Controlled Waters and to prevent pollution of the environment in accordance with the aims and Paragraphs 187(f), 196 and 197 of the National Planning Policy Framework (December 2024).

Statement in accordance with Article 35(2) Town and Country Planning (Development Management Procedure) (England) (Amendment) Order 2015

The proposal complies with the development plan and would improve the economic, social and environmental conditions of the area. It therefore comprises sustainable development and the Local Planning Authority worked proactively and positively to issue the decision without delay. The Local Planning Authority has therefore implemented the requirement in Paragraph 38 of the National Planning Policy Framework.

The following policies of the Bury Unitary Development Plan, National and Regional Government were considered relevant:

NPPF National Planning Policy Framework
EC1/3 Land Suitable for Business (B1), Office and Hotel/Conference Facility Uses
EN1/2 EN1/2 - Townscape and Built Design
EN7/2 EN7/2 - Noise Pollution
JP-S3 Heat and Energy Networks
JP-S2 Carbon and Energy

This decision relates only to the Town and Country Planning Acts and does not include any consent or approval under any other enactment or under the Building Regulations. Any other consent or approval which is necessary must be obtained from the appropriate authority.
