Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations?

- ☐ Yes
- ☒ No

Does the proposal consist of, or include, a change of use of the land or building(s)?

- ☐ Yes
- ☒ No

Has the proposal been started?

- ☐ Yes
- ☒ No

Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

Existing use class is C3, we are proposing use class C2 which will constitute no material change of use.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Select the use class that relates to the existing or last use.

C3 - Dwellinghouses

Information about the proposed use(s)

Select the use class that relates to the proposed use.

C2 - Residential institutions

Is the proposed operation or use

- ☒ Permanent
- ☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The intention is to use the current property, which falls under the C3 use, as a residential children's home that will fall within class C2 use, of the Use Classes Order. While the proposal involves a move from Class C3 to Class C2, it is our position that this does not constitute a 'material change of use' in this specific instance. The property, a 3 bedroom semi detached house, possesses the scale and layout to accommodate the proposed 2 residents without altering the residential character of the neighbourhood. The children will live together as a single integrated household, sharing communal living, dining, and kitchen facilities, mirroring the daily life of a small family. Furthermore, the level of care provided is intended to be domestic in nature rather than clinical. We anticipate that the associated movements of staff and visitors will not exceed the intensity of use that could reasonably be expected from a Class C3 dwelling. Consequently, as the land use remains fundamentally residential in character and impact, we submit that planning permission is not required.

Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- ☒ Yes
☐ No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- ☒ The agent
☐ The applicant
☐ Other person

Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?

- ☐ Yes
☒ No

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
☒ No

Interest in the Land

Please state the applicant's interest in the land

- ☐ Owner
- ☒ Lessee
- ☐ Occupier
- ☐ Other

If Lessee or Occupier, please give details of the owner and state whether they have been informed in writing of this application
