Description of Proposed Works

Please describe the proposed works

We would like to apply for a dropped kerb and driveway at the front of our property. It is currently just a garden area with a few shrubs. Parking is quite difficult in the area, and having to cross main roads with young children is difficult and dangerous at times — it would be much safer to park on a driveway at the front of our property.

Next door, (1 DUMERS LANE) and several other properties around and opposite us already have driveways. Ourselves, and 5 DUMERS LANE (separate application) would like to do the same and feel there are many positive reasons for it.

Unfortunately, due to double yellow lines, we cannot park directly in front of our house and usually park on BRITAIN STREET or WELLFIELD CLOSE which requires crossing a busy main road with two children under the age of five.

Next door (1 DUMERS LANE) manage to park two vehicles safely on their drive and we only have one vehicle so wouldn't have any issues parking on a small driveway without encroaching on the pavement. As mentioned, we feel a small driveway would help with parking in the area, remove vehicles from the road and make it safer for children.

We are close to the traffic lights at the junction of DUMERS LANE / MANCHESTER ROAD but there are properties with driveways closer than us (even on the junction) so don't feel this should go against our application. It would be safe to enter / exit the driveway with sufficient visibility of the junction and utilising the traffic signals if necessary.

Has the work already been started without consent?

- ☐ Yes
☒ No

Pedestrian and Vehicle Access, Roads and Rights of Way

Is a new or altered vehicle access proposed to or from the public highway?

☒ No

Is a new or altered pedestrian access proposed to or from the public highway?

- ☐ Yes
☒ No

Do the proposals require any diversions, extinguishment and/or creation of public rights of way?

- ☐ Yes
☒ No

Parking

Will the proposed works affect existing car parking arrangements?

- ☒ Yes
☐ No

If Yes, please describe:

There is currently no parking available at 3 DUMERS LANE. With the addition of proposed driveway, there would be space for one large vehicle or two small vehicles to park safely without encroaching the pavement- as demonstrated at 1 DUMERS LANE. It would help with parking in the area, remove vehicles from the road and make it safer for children.

- ☒ Yes
☐ No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

With respect to the Authority, is the applicant and/or agent one of the following:

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
