PART 1 - Particulars of Application

Application Number: 67692

Date of Registration: 29/11/2021

Proposal:

Provision of new 2-storey, 2-bedroom corner dwelling with associated site works including soft landscaping, cycle and refuse storage.

Location:

1 Hereford Drive, Prestwich, Manchester, M25 0JY

PART 2 - Particulars of Decision

The Bury Metropolitan Borough Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 that permission has been **REFUSED** for the carrying out of the development referred to in Part 1 hereof for the following reasons:-

- 1 The proposal would result in the loss of substantial parking facilities for the existing dwelling without the ability to provide a new access from Hereford Drive to serve alternative parking facilities within the curtilage of the existing dwelling due to an unacceptable impact on protected highway trees, which is likely to lead to vehicles parking and carrying out manoeuvres on the highway to the detriment of the free flow of traffic and road safety. The proposed development therefore conflicts with the following policies of the Bury Unitary Development Plan: H2/2 - The Layout of New residential Development, H2/6 - Garden and Backland Development, HT2/4 - Car Parking and New Development and HT6/2 - Pedestrian/Vehicular Conflict and SPD6.
- 2 The proposed access onto Hereford Drive indicated on the submitted plans is sub-standard in terms of visibility, which is likely lead to conflicts on the adopted highway and would therefore be detrimental to highway safety. The proposed development therefore conflicts with the following policies of the Bury Unitary Development Plan: H2/2 - The Layout of New residential Development, H2/6 - Garden and Backland Development, HT2/4 - Car Parking and New Development and HT6/2 - Pedestrian/Vehicular Conflict and SPD6.
- 3 The proposed development, by virtue of the sub-standard garden amenity area, separation distance to the neighbouring property and inability to provide adequate

parking and access for both the existing dwelling and proposed dwelling would result in the over-development of the site and therefore have a detrimental impact on the future occupiers of No 1 Hereford Drive and the proposed new dwelling, occupiers of the surrounding properties and highway safety. The proposed development therefore conflicts with the following policies of the Bury Unitary Development Plan: H2/1 - The Form of New Residential Development, H2/2 - The Layout of New residential Development, H2/6 - Garden and Backland Development, HT2/4 - Car Parking and New Development and HT6/2 - Pedestrian/Vehicular Conflict and SPD6.

Statement in accordance with Article 35(2) Town and Country Planning (Development Management Procedure) (England) (Amendment) Order 2015

The proposal would not improve the economic, social and environmental conditions of the area nor does it comply with the development plan and therefore does not comprise sustainable development. There were no amendments to the scheme, or conditions which could reasonably have been imposed, which could have made the development acceptable and it was therefore not possible to approve the application. The Local Planning Authority has therefore implemented the requirement in Paragraph 38 of the National Planning Policy Framework.

The following policies of the Bury Unitary Development Plan, National and Regional Government were considered relevant:

NPPF	National Planning Policy Framework
H1/2	H1/2 - Further Housing Development
H2/1	H2/1 - The Form of New Residential Development
H2/2	H2/2 - The Layout of New Residential Development
