Location:

Barrack Fold Farm, Knowsley Road, Ainsworth, Bolton, BL2 5PU

PART 2 - Particulars of Decision

Bury Metropolitan Borough Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 that permission has been **GRANTED** for the carrying out of the development referred to in Part 1 hereof in accordance with the application and plans submitted subject to the following conditions:-

- 1 The development must be begun not later than three years beginning with the date of this permission.
Reason. Required to be imposed by Section 91 Town & Country Planning Act 1990.
- 2 This decision relates to drawings numbered 23/1283/100, 23/1283/101, 23/1283/112, 23/1283/113, 23/1283/162B, 23/1283/163B, 23/1283/201, 23/1283/202, 23/1283/203, 23/1283/212, 23/1283/213, 23/1283/262B, 23/1283/263B, M693/BFF/LAND/01 and the development shall not be carried out except in accordance with the drawings hereby approved.
Reason. For the avoidance of doubt and to ensure a satisfactory standard of design pursuant to the policies of the Bury Unitary Development Plan listed.
- 3 Details/Samples of the (materials/bricks/window frames) to be used in the external elevations, together with details of their manufacturer, type/colour and size, shall be submitted to and approved in writing by the Local Planning Authority before the development is commenced. Only the approved materials/bricks shall be used for the construction of the development.
Reason. No material samples have been submitted and are required in the interests of visual amenity and to ensure a satisfactory development pursuant to Policies EN1/1 Visual Amenity and EN2/3 - Listed Buildings of the Bury Unitary Development Plan

- 4 No development shall commence unless and until:-
- A contaminated land Preliminary Risk Assessment report to assess the actual/potential contamination and/or ground gas/landfill gas risks at the site shall be submitted to, and approved in writing by, the Local Planning Authority;
 - Where actual/potential contamination and/or ground gas/landfill gas risks have been identified, detailed site investigation and suitable risk assessment shall be submitted to, and approved in writing by the Local Planning Authority;
 - Where remediation/protection measures is/are required, a detailed Remediation Strategy shall be submitted to, and approved in writing by, the Local Planning Authority.

Reason. The scheme does not provide full details of the actual contamination and subsequent remediation, which is required to secure the satisfactory development of the site in terms of human health, controlled waters, ground gas and the wider environment and pursuant to National Planning Policy Framework Section 15 - Conserving and enhancing the natural environment.

- 5 Following the provisions of Condition 4 of this planning permission, where remediation is required, the approved Remediation Strategy must be carried out to the satisfaction of the Local Planning Authority within agreed timescales; and A Site Verification Report detailing the actions taken and conclusions at each stage of the remediation works, including substantiating evidence, shall be submitted to and approved in writing by the Local Planning Authority prior to the development being brought into use.

Reason. To secure the satisfactory development of the site in terms of human health, controlled waters and the wider environment and pursuant to National Planning Policy Framework Section 15 - Conserving and enhancing the natural environment.

- 7 The developmetn hereby approved shall be carried out in accordance with the method statement and reasonable avoidance section of the bat report, dated 31 August 2023.

Reason. In order to ensure that no harm is caused to a Protected Species pursuant to policies EN6 – Conservation of the Natural Environment and EN6/3 – Features of Ecological Value of the Bury Unitary Development Plan and Section 11 of the National Planning Policy Framework.

- 8 A landscaping scheme shall be submitted to, and approved by the Local Planning Authority prior to the commencement of the development. The contents of the plan should include native tree and shrub planting and the provision of bat bricks/tubes within the new development and bat and bird boxes. The approved scheme shall thereafter be implemented not later than 12 months from the date the building(s) is first occupied or within the first available tree planting season,; and any trees or shrubs removed, dying or becoming severely damaged or becoming severely diseased within five years of planting shall be replaced by trees or shrubs of a similar size or species to those originally required to be planted.

Reason. To secure the satisfactory development of the site and in the interests of visual amenity pursuant to Policies H2/2 - The Layout of New Residential Development, EN1/2 - Townscape and Built Design and EN8/2 - Woodland and Tree Planting of the Bury Unitary Development Plan and chapter 15 - Conserving and enhancing the natural environment of the NPPF.

- 9 The boundary treatments shall be as shown on approved plan 23/1283/201B and shall remain as such whilst these boundaries serve the development. No other means of enclosure thall be erected without the prior written consent of the Local Planning Authority.

Reason. To maintain the openness and character of the Green Belt and its setting in relation to the development pursuant to Policy OL1/4 - Conversion and Re-Use of

Buildings in the Green Belt of the Bury Unitary Development Plan.

- 10 No development shall commence unless and until surface water drainage proposals have been submitted to and approved in writing by the Local Planning Authority. The scheme should be in accordance with the submitted Surface Water Sustainable Drainage Assessment and must be based on the hierarchy of drainage options in the National Planning Practice Guidance and be designed in accordance with the Non-Statutory Technical Standards for Sustainable Drainage Systems (March 2015). This must include assessment of potential SuDS options for surface water drainage with appropriate calculations and test results to support the chosen solution. Details of proposed maintenance arrangements should also be provided. The approved scheme only shall be implemented prior to first occupation and thereafter maintained.
Reason. The current application contains insufficient information regarding the proposed drainage scheme to fully assess the impact. To promote sustainable development and reduce flood risk pursuant to Unitary Development Plan Policies EN5/1- New Development and Flood Risk , EN7/3 - Water Pollution and EN7/5 - Waste Water Management and chapter 14 - Meeting the challenge of climate change, flooding and coastal change of the NPPF.
- 11 Notwithstanding the terms of the Town and Country Planning (General Permitted Development) (England) Order 2015, as subsequently amended, no development shall be carried out within the terms of Classes A to G of Part 1 of Schedule 2 of the Order, without the submission and approval of a relevant planning application.
Reason. To ensure that future inappropriate alterations or extensions do not occur pursuant to policies of the Unitary Development Plan listed.
- 12 The garage hereby approved shall not be converted to additional living accommodation without the written approval of the Local Planning Authority.
Reason. To ensure adequate car parking provision is retained pursuant to Policy H2/3 -Extensions and Alterations of the Bury Unitary Development Plan and Associated DC Guidance Note 6- Extensions and Alterations.
- 13 The turning facilities indicated on the approved plans shall be provided before the development is brought into use and shall subsequently be maintained free of obstruction at all times.
Reason. To minimise the standing and turning movements of vehicles on the highway in the interests of road safety pursuant to the following Policies of the Bury Unitary Development Plan:
Policy H2/1 - The Form of New Residential Development
Policy H2/2 - The Layout of New Residential Development
Policy EN1/2 - Townscape and Built Design
- 14 The car parking indicated on the approved plans shall be surfaced, demarcated and made available for use prior to the dwellings hereby approved being brought into use.
Reason. To ensure adequate off street car parking provision in the interests of road safety pursuant to Policy HT2/4 - Car Parking and New Development of the Bury Unitary Development Plan.
- 15 The passing places indicated on the approved plan 23/1283/202 shall be provided before any of the dwellings hereby approved are occupied and shall subsequently be maintained free of obstruction at all times.
Reason. To minimise conflict with pedestrians and vehicular traffic pursuant to Policy RT3/4 - Recreational Routes of the Bury Unitary Development Plan.

Statement in accordance with Article 35(2) Town and Country Planning (Development Management Procedure) (England) (Amendment) Order 2015

The Local Planning Authority worked positively and proactively with the applicant to identify various solutions during pre-application discussions to ensure that the proposal comprised sustainable development and would improve the economic, social and environmental conditions of the area and would accord with the development plan. These were incorporated into the scheme and/or have been secured by planning condition. The Local Planning Authority has therefore implemented the requirement in Paragraph 38 of the National Planning Policy Framework.

The following policies of the Bury Unitary Development Plan, National and Regional Government were considered relevant:

NOTES TO APPLICANT

1. The applicant's attention is drawn to the existence of Public Rights of Way Nos 32CC, 34CC and 35CC across part of the site. No development should take place which affects the Right of Way in the absence of an appropriate closure or diversion order.
2. The applicant is reminded that, under the Wildlife and Countryside Act 1981 as amended it is an offence to remove, damage, or destroy the nest of a wild bird, while the nest is in use or being built. Planning consent does not provide a defence against prosecution under this act. If a birds nest is suspected work should cease immediately and a suitably experienced ecologist employed to assess how best to safeguard the nest(s).
