

This is a technical architectural site plan. A prominent red line, likely representing a road or boundary, runs diagonally from the top left towards the bottom right. In the center-right of the plan is a building labeled 'Pavilion'. The building has a complex, irregular footprint with several angles and a small rectangular extension on its right side. This extension is highlighted with a blue outline. The entire building is enclosed within a larger, faint rectangular boundary. The word 'Pavilion' is written in a bold, black, sans-serif font, oriented vertically within the building's footprint.
