PART 1 - Particulars of Application

Application Number: 68209

Date of Registration: 20/04/2022

Proposal:

Replacement detached house, detached summer house in rear garden, boundary fence and new driveway

Location:

26 Hillingdon Road, Whitefield, Manchester, M45 7QN

PART 2 - Particulars of Decision

Bury Metropolitan Borough Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 that permission has been **GRANTED** for the carrying out of the development referred to in Part 1 hereof in accordance with the application and plans submitted subject to the following conditions:-

- 1 The development must be begun not later than three years beginning with the date of this permission.
Reason. Required to be imposed by Section 91 Town & Country Planning Act 1990.
- 2 This decision relates to drawings numbered 60, 61A, 62A, 63, 65, 66, 67, 68A, 70A, 73A, 74 and 77 and the development shall not be carried out except in accordance with the drawings hereby approved.
Reason. For the avoidance of doubt and to ensure a satisfactory standard of design pursuant to the policies of the Bury Unitary Development Plan listed.
- 3 Details/Samples of finishing materials to be used in the external elevations, together with details of their manufacturer, type/colour and size, shall be submitted to and approved in writing by the Local Planning Authority before the development is commenced. Only the approved materials/bricks shall be used for the construction of the development.
Reason. No material samples have been submitted and are required in the interests of visual amenity and to ensure a satisfactory development pursuant to UDP Policy EN1/2 Townscape and Built Design.
- 4 No development shall commence unless and until a 'Construction Traffic Management Plan' (CTMP), has been submitted to and agreed in writing with the

Local Planning Authority and shall confirm/provide the following:

- Photographic dilapidation survey of the footways and carriageways abutting the site in the event that subsequent remedial works are required following construction of the development/boundary treatment and as a result of any statutory undertakers connections to the new dwelling;
- Access point for demolition/construction traffic from the adopted highway;
- Site hoardings (if proposed) clear of the adopted highway;
- Hours of operation and number of vehicle movements;
- A scheme of appropriate warning/construction traffic signage in the vicinity of the site and its access;
- Parking on site (or on land under the applicant's control) of operatives' and demolition/construction vehicles together with storage on site of demolition/construction materials, including any requisite phasing of the development to accommodate this;
- Measures to ensure that all mud and other loose materials are not spread onto the adjacent adopted highways as a result of the groundworks operations or carried on the wheels and chassis of any vehicles leaving the site and measures to minimise dust nuisance caused by the operations.

The approved plan shall be adhered to throughout the demolition and construction periods and the measures shall be retained and facilities used for the intended purpose for the duration of the both periods.

The areas identified shall not be used for any other purposes other than the parking of vehicles and storage of demolition/construction materials. All highway remedial works identified as a result of the dilapidation survey shall be implemented to the written satisfaction of the Local Planning Authority prior to the development hereby approved being occupied.

Reason. To maintain the integrity of the adopted highway and ensure adequate off street materials storage arrangements for the duration of the demolition/construction periods, in the interests of highway safety.

- 5 The revised access, car parking and bin storage arrangements indicated on approved plan references HR26 68 Revision A & HR26 73 Revision A, incorporating the retention of the existing footway crossing, provision of fencing at the front of the property to the limits shown and new driveway in a permeable material and/or measures to prevent the discharge of surface water onto the adopted highway, shall be implemented to the satisfaction of the Local Planning Authority prior to the dwelling hereby approved being brought into use and thereafter maintained available for use at all times.

Reason. To secure the satisfactory development of the site in terms of highway safety, to allow adequate space to maintain a vehicle clear of the highway and maintain the integrity of the adopted highway.

- 6 Before the first occupation of the new dwelling hereby permitted, all windows on the side elevations shall be fitted with obscured glazing (min obscurity level 3) and shall be permanently retained in that condition thereafter.

Reason. To protect the privacy of adjoining occupiers and to accord with Policy H2/1 The Form of New Residential Development.

- 7 Notwithstanding the terms of the Town and Country Planning (General Permitted Development) (England) Order 2015, as subsequently amended, no development shall be carried out within the terms of Classes A to G of Part 1 of Schedule 2 of the Order, without the submission and approval of a relevant planning application.

Reason. To ensure that future inappropriate alterations or extensions do not occur pursuant to policies of the Unitary Development Plan listed.

- 8 The proposed outbuilding in the rear garden hereby approved shall only be used for purposes ancillary to the main dwellinghouse.
Reason. In the interests of residential amenity pursuant to UDP Policy H2/1 The Form of New Residential Development.

Statement in accordance with Article 35(2) Town and Country Planning (Development Management Procedure) (England) (Amendment) Order 2015

The proposal complies with the development plan and would improve the economic, social and environmental conditions of the area. It therefore comprises sustainable development and the Local Planning Authority worked proactively and positively to issue the decision without delay. The Local Planning Authority has therefore implemented the requirement in Paragraph 38 of the National Planning Policy Framework.

The following policies of the Bury Unitary Development Plan, National and Regional Government were considered relevant:

NPPF National Planning Policy Framework
EN1/2 EN1/2 - Townscape and Built Design
H2/1 H2/1 - The Form of New Residential Development
H2/2 H2/2 - The Layout of New Residential Development

This decision relates only to the Town and Country Planning Acts and does not include any consent or approval under any other enactment or under the Building Regulations. Any other consent or approval which is necessary must be obtained from the appropriate authority.

Applicant Plan Numbers:

Drawings numbered 60, 61A, 62A, 63, 65, 66, 67, 68A, 70A, 74 and 77

NOTES TO APPLICANT

1. The applicant's attention is drawn to the need to consult the Department of Operations regarding the specification for and implementation of any highway remedial works that may be required. The cost of the works will be the responsibility of the developer.

The Council currently operates a curtilage system of refuse collection. The applicant is advised to liaise with Waste Management, Bradley Fold Depot on 0161 253 6621/7010, regarding the operation of this system.
