Subject: FW: 68591: Bury C of E, additional car parking (UU ref. DC/22/2440)

Hi Dean,

Thanks for your email, I have this morning spoken to Water Developer Services with regards to the proposed scheme and they've reviewed the plan that was provided.

They are comfortable that the developer is aware of the water main and the service pipe leading into the building. But wish to highlight that any works either above or below ground within proximity to the pipe must be in line with our Standard Conditions Guidance (see attached pdf).

They're happy to withdraw the objection and request for a RAMs condition. Do you need me to provide you with a formal letter as a response?

Best regards

Jenny
