PART 2 - Particulars of Decision

The Bury Metropolitan Borough Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 that permission has been **REFUSED** for the carrying out of the development referred to in Part 1 hereof for the following reasons:-

- 1 The proposed alterations would have a serious and detrimental impact on the character and appearance of the listed building and cause harm to its significance in terms of heritage. The proposal is therefore unacceptable and would be contrary to the National Planning Policy Framework, Places for Everyone Policy JP-P2 Heritage and UDP Policies and guidance EN1/1 Visual Amenity, EN2/3 Listed Buildings and H2/3 Extensions and Alterarations, SPD6 Alterations and Extensions.
- 2 The application contains insufficient information with particular regard to identifying the significance as required by paragraph 207 of the National Planning Policy Framework. The proposal is therefore unacceptable and would be contrary to the National Planning Policy Framework, Places for Everyone Policy JP-P2 Heritage and UDP Policy EN2/3 Listed Buildings.

Statement in accordance with Article 35(2) Town and Country Planning (Development Management Procedure) (England) (Amendment) Order 2015

The proposal would not improve the economic, social and environmental conditions of the area nor does it comply with the development plan and therefore does not comprise sustainable development. There were no amendments to the scheme, or conditions which could reasonably have been imposed, which could have made the development acceptable and it was therefore not possible to approve the application. The Local Planning Authority has therefore implemented the requirement in Paragraph 38 of the National Planning Policy Framework.

The following policies of the Bury Unitary Development Plan, National and Regional Government were considered relevant:

H2/3	H2/3 - Extensions and Alterations
SPD6	Supplementary Planning Document 6 - Alterations and Extensions to Residential Properties.
EN2/3	EN2/3 - Listed Buildings
EN1/1	EN1/1 - Visual Amenity
JP-P1	Sustainable Places
JP-P2	Heritage

This decision relates only to the Town and Country Planning Acts and does not include any consent or approval under any other enactment or under the Building Regulations. Any other consent or approval which is necessary must be obtained from the appropriate authority.
