Details of the pre-application advice received

In the first instance we contacted Bury MBC planning department by phone to explain and enquire if we could replace with a fence, we were told that the maximum height we could go too was 2m, we could go higher but would need planning permission.

With the information we contacted two fencing contractors to obtain pricing, with the two quotes in from reputable companies who also understood the hight allowance to be 2m.

We then once again contacted Bury MBC to confirm our plans that it was ok to erect a 2m fence without planning permission and were told that this was the allowed height, therefore instructed the preferred contractor to book the work in.

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
