

THINK OUTSIDE THE BLOCKS

Application Number: 67546

Proposal: Construction of 25no dwellings with associated access, landscaping and ancillary works.

Condition 9 – Electric Vehicle Charging Provision

7.2KW electric vehicle charging points to be fitted to all properties with in curtilage driveways as indicated with a highlighted "X" on the site plan below. Those without an "X" marked will not have provision for electric vehicle charging due to site constraints.
