PART 2 - Particulars of Decision

Bury Metropolitan Borough Council hereby give notice in pursuance of the provisions of the Town and Country Planning Act 1990 that permission has been **GRANTED** for the carrying out of the development referred to in Part 1 hereof in accordance with the application and plans submitted subject to the following conditions:-

- 1 The development must be begun not later than three years beginning with the date of this permission.
Reason. Required to be imposed by Section 91 Town & Country Planning Act 1990.
- 2 This decision relates to drawing numbered RAD/2468/21/2/RevD received on 07/06/2022 as modified by the email from RA Design & Project Management Ltd dated 07/06/2022. The development shall not be carried out except in accordance with the drawings hereby approved.
Reason. For the avoidance of doubt and to ensure a satisfactory standard of design pursuant to the policies of the Bury UDP Policy H2/3 - Extensions and Alterations and the guidance in Supplementary Planning Document 6 – Alterations and Extensions to Residential Properties.
- 3 The external finishing materials for the proposal hereby approved shall match those of the existing building.
Reason. In the interests of visual amenity and to ensure a satisfactory development pursuant to Policy H2/3 - Extensions and Alterations of the Bury Unitary Development Plan and Supplementary Planning Document 6 - Alterations and Extensions to Residential Properties.
- 4 The development and widened driveway hereby approved shall not be brought into

use unless and until the access and car parking alterations indicated on approved plan reference RAD/2468/21/2 Revision D, incorporating the provision of a footway crossing extension, disconnection and removal of the affected street lighting column, provision and connection of a replacement 6 metre column and LED lantern to a specification to be agreed with Street Lighting, hardstanding in a permeable/porous material and/or measures to prevent the discharge of surface water onto the adopted highway, demarcation of the limits of the adopted highway and all associated footway remedial works required to reinstate the footway to its former condition prior to commencement of the development, have been implemented.

Reason. To ensure good highway design and maintain the integrity of the adopted highway in the interests of highway safety pursuant to Bury UDP Policy H2/3 - Extensions and Alterations and the guidance in Supplementary Planning Document 6 – Alterations and Extensions to Residential Properties.

Statement in accordance with Article 35(2) Town and Country Planning (Development Management Procedure) (England) (Amendment) Order 2015

The Local Planning Authority worked positively and proactively with the applicant to identify various solutions during the application process to ensure that the proposal comprised sustainable development and would improve the economic, social and environmental conditions of the area and would accord with the development plan. These were incorporated into the scheme and/or have been secured by planning condition. The Local Planning Authority has therefore implemented the requirement in Paragraph 38 of the National Planning Policy Framework.

The following policies of the Bury Unitary Development Plan, National and Regional Government were considered relevant:

SPD6 Supplementary Planning Document 6 - Alterations and Extensions to Residential Properties.
H2/3 H2/3 - Extensions and Alterations

This decision relates only to the Town and Country Planning Acts and does not include any consent or approval under any other enactment or under the Building Regulations. Any other consent or approval which is necessary must be obtained from the appropriate authority.

drawing numbered RAD/2468/21/2/RevD received on 07/06/2022 as modified by the email from RA Design & Project Management Ltd dated 07/06/2022

NOTES TO APPLICANT

1. This recommendation relates to the revised plan received by this section on 07/06/2022.
2. The applicant's attention is drawn to the need to consult the Department of Operations regarding the specification for and implementation of the proposed footway crossing extension and associated replacement of the affected street lighting column. The cost of the works will be the responsibility of the developer.
