The diagram is a site plan showing a building footprint and an adjacent parking lot. The building is outlined in red and contains several colored areas: a large grey rectangle, a purple trapezoid, and a light blue rectangle. The parking lot is located to the left of the building. Four circular callouts with black and white triangular markers are placed around the site: 'A' is in the parking lot, 'B' is at the top right corner of the building, 'C' is at the bottom right corner of the building, and 'D' is at the bottom left corner of the building. The entire site is bounded by a red line, and the surrounding area is white with some grey lines indicating roads or boundaries.
