Proposal: Application to discharge condition 22 (traffic calming measures) and condition 23 (raised tables) on planning permission 68368

Location: Land at York Street/Bury Road, Radcliffe, Manchester, M26 2GL

Description

The applicant seeks the discharge of conditions 22 (traffic calming measures) and 23 (raised tables) of permission 68368.

Relevant Planning History

68368 - Full planning permission for 211 dwellings, together with associated car parking, landscaping, public open space, drainage, the laying out of roads and footways and other associated works including engineering operations to create flood defences and the development platform at land at York Street/Bury Road, Radcliffe. Approved with conditions - 1 August 2023.

Publicity

None required.

Statutory/Non-Statutory Consultations

Traffic Section - No objections. The applicant would need to comply with the Section 50 licence and enter into the Section 38 adoption agreement .

Issues and Analysis

The following report includes analysis of the merits of the application against the relevant policies of both the National Planning Policy Framework (NPPF), the adopted Places for Everyone Joint Development Plan Document (PfE) and the saved policies within the adopted Bury Unitary Development Plan (UDP), together with other relevant material planning considerations.

The policies of the UDP that have been used to assess this application are considered to be in accordance with the NPPF and as such are material planning considerations. For simplicity, just the UDP and PfE Policies will be referred to in the report, unless there is a particular matter to highlight arising from the NPPF where it would otherwise be specifically mentioned.

Equality Act 2010: All planning applications are considered in light of the Equality Act 2010 and associated Public Sector Equality Duty, where the Council is required to have due regard for:

The elimination of discrimination, harassment and victimisation;

The advancement of equality of opportunity between persons who share a relevant protected characteristic and person who do not share it;

The fostering of good relations between persons who share a relevant protected characteristic and person who do not share it; which applies to people from the protected

equality groups.

Human Rights: All planning applications are considered against the provisions of the Human Rights Act 1998.

Under Article 6 the applicants (and those third parties who have made representations) have the right to a fair hearing and to this end full consideration will be given to their comments.

Article 8 and Protocol 1 of the First Article confer a right to respect private and family life and a right to the protection of property, ie peaceful enjoyment of one's possessions which could include a person's home, and other land and business assets.

In taking account of the Council policy as set out in the Bury Unitary Development Plan 1997 and all material planning considerations, it is concluded on balance that the rights conferred upon the applicant/ objectors/ residents/ other interested party by Article 8 and Article 1 of the First Protocol may be interfered with, since such interference is in accordance with the law and is justified in the public interest. Any restriction of these rights posed by refusal/ approval of the application is legitimate since it is proportionate to the wider benefits of such a decision, is based upon the merits of the proposal, and falls within the margin of discretion afforded to the Council under the Town & Country Planning Acts.

The Crime and Disorder Act 1998 imposes (without prejudice to any other obligation imposed on it) a duty upon the Council to exercise its functions and have due regard to the likely effect of the exercise of its functions on, and the need to do all that it reasonably can to prevent crime and disorder in its area. In so doing and on making planning decisions under the Town and Country Planning Acts, the material Planning considerations shall have due regard to the provisions of the Crime and Disorder Act 1998 and its implications in the exercise of its functions.

Condition 22 and 23 - A series of plans have been submitted to discharge the 2 conditions, which contain the details referred to in the bullet points for each condition. The Traffic Section raised some issues, which required an additional 20 mph roundel and additional 20mph signs. A revised plan has been submitted with the additional information and the Traffic Section have no objections to the discharge of the condition but note that the Section 50 licence would have to be complied with and the Section 38 adoption agreement entered into in due course. Therefore, the proposed development would not be detrimental to highway safety and the conditions should be discharged.

Recommendation: Approve

Conditions and Reasons:

- 1 The conditions listed below are approved:
Condition 22 - Traffic calming proposals (KH005 E601 Rev A)
Condition 23 - S38 raised tables (KH005 E-602)

Please note that the applicant will need to comply with the Section 50 licence and the Section 38 agreement.
