Remit:

Theatres Trust is the national advisory public body for theatres. We were established through the Theatres Trust Act 1976 'to promote the better protection of theatres' and provide statutory planning advice on theatre buildings and theatre use in England through The Town and Country Planning (Development Management Procedure) (England) Order 2015, requiring the Trust to be consulted by local authorities on planning applications which include 'development involving any land on which there is a theatre'.

Comment:

Thank you for consulting Theatres Trust on this application for listed building consent at the Art Picture House. It seeks to install new signage to the front elevation.

The proposed signage, consisting of lettering to the left hand side and a fascia board next to the main entrance, will replace existing signage to reflect updated branding.

As there is existing signage the impact of this scheme is neutral. These interventions are reversible.

We therefore support the granting of listed building consent.

Please contact us if we may be of further assistance or should you wish to discuss this representation in greater detail.
