- ☒ **Householder development:** Development to an existing dwelling-house or development within its curtilage
- ☐ **Other:** Anything not covered by the above category

Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

Replace approved terracotta roof tiles with grey roof tiles and replace shallow pitch dormer tiles with grey rubber membrane roof to match colour of roof tiles.

Please state why you wish to make this amendment

As part of the works to the house all the existing terracotta roof tiles needed to be removed.
Client wanted to replace with grey roof tiles to match the roof tiles of surrounding houses. The dormer will still be the pitched roof as approved but it was thought that bonding a lightweight tile effect finish would make the dormer roof look cheap.
