

69195 – Whitehead Gardens, Chapel Street, Tottington

**Refurbishment of gardens including upgrading drainage and footpaths;
New pedestrian ramp access; Rebuild stage area; Creation of terraces
along the bank of the stream and Tree works across the site.**

Further work carried out by the applicant has concluded that no known surviving relatives of the of the V1 flying bomb explosion on Chapel Street, Tottington on the 24th December 1944 has or would have objected to the proposed works to Whitehead Gardens. As such it is considered the proposals would not harm the Gardens, identified as Non-Designated Heritage Asset, to an unacceptable level that would harm its heritage significance.

Part of the proposal, annotated on the submitted plan is to re-surface the pathways throughout the site, subject to budget. No specific details have been submitted for the re-surfacing, as such a condition should be added to any consent given to provide details of design and materials before any works to the pathways are commenced.
