Application for Planning Permission

Town and Country Planning Act 1990 (as amended)

Publication of applications on planning authority websites

Please note that the information provided on this application form and in supporting documents may be published on the Authority's website. If you require any further clarification, please contact the Authority's planning department.

Site Location

Disclaimer: We can only make recommendations based on the answers given in the questions.

If you cannot provide a postcode, the description of site location must be completed. Please provide the most accurate site description you can, to help locate the site - for example "field to the North of the Post Office".

Description of the Proposal

Please note in regard to:

- **Fire Statements** - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. [View government planning guidance on fire statements](#) or [access the fire statement template and guidance](#).
- **Permission In Principle** - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please include the relevant details in the description below.
- **Public Service Infrastructure** - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for faster determination timeframes. See help for further details or [view government planning guidance on determination periods](#).

Description

Please describe details of the proposed development or works including any change of use

The application is to develop and improve the available, vacant land, providing a high quality industrial and logistical development in accordance to the UDP.

The proposals provide an extension of an existing B2/B8 Industrial unit, which will be left as shell accommodation for the client to fit out internally. The proposed scheme involves the part removal of the existing unit wall, existing dense vegetation and some trees to allow for an extension to be built. The new single storey extension will have a total GIA of 3, 751sq.m. The proposals will also include a reclad of the existing building roof to incorporate new rooflights and photovoltaic panels.

Externally the scheme will include storage tanks, an extension to the existing site access points, a new service yard, additional cycle and car parking with electrical vehicle charging spaces with associated infrastructure as indicated on the site layout plans. The proposals will also introduce a new external seating area.

Has the work or change of use already started?

- ☐ Yes
☒ No

Existing Use

Please describe the current use of the site

The land for the proposed extension is current vacant with some self seeded scrub, offering little amenity leading to an embankment down to the boundary which adjoins Aviation Road. There are some trees on the embankment which will be retained where possible and these will create a soft buffer between Gateway House and Aviation Road.

Is the site currently vacant?

- ☒ Yes
☐ No

If Yes, please describe the last use of the site

N/A unused land

When did this use end (if known)?

dd/mm/yyyy

Does the proposal involve any of the following? If Yes, you will need to submit an appropriate contamination assessment with your application.

Land which is known to be contaminated

- ☐ Yes
☒ No

Land where contamination is suspected for all or part of the site

- ☐ Yes
☒ No

A proposed use that would be particularly vulnerable to the presence of contamination

- ☐ Yes
☒ No

Materials

Does the proposed development require any materials to be used externally?

- ☒ Yes
☐ No

Please provide a description of existing and proposed materials and finishes to be used externally (including type, colour and name for each material)

Type:

Walls

Existing materials and finishes:

Existing light grey metal cladding with horizontal and vertical profiles. The cladding has a horizontal blue feature band running at high level around the perimeter of the building.

Proposed materials and finishes:

Light grey metal cladding with horizontal profile to match the existing cladding. The proposals will also have a horizontal blue feature band running at high level around the perimeter of the building to match the existing.

Type:

Windows

Existing materials and finishes:

Existing windows with dark grey frames.

Proposed materials and finishes:

Proposed windows to the office area, with polyester powder-coated frames sit within dark grey frames to match the existing

Type:

Vehicle access and hard standing

Existing materials and finishes:

Existing tarmac roads and white lining for parking. Flagstone paving in a sandy/beige colour.

Proposed materials and finishes:

Proposed tarmac roads to match existing with white lining. Proposed footpaths will have flagstone paving in a sandy/beige colour to match the existing.

Type:

Roof

Existing materials and finishes:

Existing roof to be removed consists of light weight metal roof panels. Grey color

Proposed materials and finishes:

Existing roof to be removed and re clad with a grey metal insulated roof panel. 15% roof;lights and photovoltaic panels to be integrated into the new roof system

Type:

Doors

Existing materials and finishes:

Roller shutter doors and side personnel doors. Metal grey colour

Proposed materials and finishes:

Proposed roller shutter and personnel doors to be metal doors in grey to match the cladding colour and existing.

Are you supplying additional information on submitted plans, drawings or a design and access statement?

☒ Yes

☐ No

If Yes, please state references for the plans, drawings and/or design and access statement

Trees and Hedges

Are there trees or hedges on the proposed development site?

☒ Yes

☐ No

And/or: Are there trees or hedges on land adjacent to the proposed development site that could influence the development or might be important as part of the local landscape character?

☒ Yes

☐ No

If Yes to either or both of the above, you may need to provide a full tree survey, at the discretion of the local planning authority. If a tree survey is required, this and the accompanying plan should be submitted alongside the application. The local planning authority should make clear on its website what the survey should contain, in accordance with the current 'BS5837: Trees in relation to design, demolition and construction - Recommendations'.

Assessment of Flood Risk

Is the site within an area at risk of flooding? (Check the location on the Government's [Flood map for planning](#). You should also refer to national [standing advice](#) and your local planning authority requirements for information as necessary.)

- ☐ Yes
☒ No

Is your proposal within 20 metres of a watercourse (e.g. river, stream or beck)?

- ☒ Yes
☐ No

Will the proposal increase the flood risk elsewhere?

- ☐ Yes
☒ No

How will surface water be disposed of?

- ☒ Sustainable drainage system
☒ Existing water course
☐ Soakaway
☒ Main sewer
☐ Pond/lake

Biodiversity and Geological Conservation

Is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the application site, or on land adjacent to or near the application site?

To assist in answering this question correctly, please refer to the help text which provides guidance on determining if any important biodiversity or geological conservation features may be present or nearby; and whether they are likely to be affected by the proposals.

a) Protected and priority species

- ☐ Yes, on the development site
☐ Yes, on land adjacent to or near the proposed development
☒ No

b) Designated sites, important habitats or other biodiversity features

- ☒ Yes, on the development site
☐ Yes, on land adjacent to or near the proposed development
☐ No

c) Features of geological conservation importance

- ☐ Yes, on the development site
☐ Yes, on land adjacent to or near the proposed development
☒ No

Supporting information requirements

Where a development proposal is likely to affect features of biodiversity or geological conservation interest, you will need to submit, with the application, sufficient information and assessments to allow the local planning authority to determine the proposal.

Failure to submit all information required will result in your application being deemed invalid. It will not be considered valid until all information required by the local planning authority has been submitted.

Your local planning authority will be able to advise on the content of any assessments that may be required.

Foul Sewage

Please state how foul sewage is to be disposed of:

- ☒ Mains sewer
- ☐ Septic tank
- ☐ Package treatment plant
- ☐ Cess pit
- ☐ Other
- ☒ Unknown

Are you proposing to connect to the existing drainage system?

- ☒ Yes
- ☐ No
- ☐ Unknown

If Yes, please include the details of the existing system on the application drawings and state the plan(s)/drawing(s) references

Ref: BCHP Drainage Strategy 0235 (Holchem Kersia Extension)

Waste Storage and Collection

Do the plans incorporate areas to store and aid the collection of waste?

- ☐ Yes
- ☒ No

Have arrangements been made for the separate storage and collection of recyclable waste?

- ☒ Yes
- ☐ No

If Yes, please provide details:

The exiting site already has the waste management strategy in place. The proposal is an extension to an existing facility and will utilise the existing waste strategy inplace

Trade Effluent

Does the proposal involve the need to dispose of trade effluents or trade waste?

- ☐ Yes
- ☒ No

Residential/Dwelling Units

Does your proposal include the gain, loss or change of use of residential units?

- ☐ Yes
☒ No

All Types of Development: Non-Residential Floorspace

Does your proposal involve the loss, gain or change of use of non-residential floorspace?

Note that 'non-residential' in this context covers all uses except Use Class C3 Dwellinghouses.

- ☐ Yes
☒ No

Employment

Are there any existing employees on the site or will the proposed development increase or decrease the number of employees?

- ☒ Yes
☐ No

Existing Employees

Please complete the following information regarding existing employees:

Full-time

146

Part-time

0

Total full-time equivalent

146.00

Proposed Employees

If known, please complete the following information regarding proposed employees:

Hours of Opening

Are Hours of Opening relevant to this proposal?

- ☐ Yes
☒ No

Industrial or Commercial Processes and Machinery

Does this proposal involve the carrying out of industrial or commercial activities and processes?

- ☒ Yes
☐ No

Please describe the activities and processes which would be carried out on the site and the end products including plant, ventilation or air conditioning. Please include the type of machinery which may be installed on site:

Holchem is the leading provider of hygiene and food safety solutions and technology in the UK. A large majority of the company’s sales are directed to the food, beverage and dairy industries, with additional sales to the food service, retail, institutional and farm sectors.
The internal machinery and layout of the extension is not part of this application. The proposal is for a shell build.

Is the proposal for a waste management development?

- ☐ Yes
☒ No

Hazardous Substances

Does the proposal involve the use or storage of Hazardous Substances?

- ☐ Yes
☒ No

Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- ☒ Yes
☐ No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- ☒ The agent
☐ The applicant
☐ Other person

Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?

- ☒ Yes
☐ No

If Yes, please complete the following information about the advice you were given (this will help the authority to deal with this application more efficiently):

Officer name:

Title

First Name

***** REDACTED *****

Surname

***** REDACTED *****

Reference

Date (must be pre-application submission)

20/09/2022

Details of the pre-application advice received

The site is located in Pilsworth Industrial estate and allocated within an Employment Generating Area in the Bury UDP. The proposals for an extension to provide additional facilities and support the future needs of the business would be considered acceptable in principle within the EGA and industrial estate - subject to consideration and addressing the following issues:

Highways

Greater Manchester Fire and Rescue

Public Right of Way

Transport for Greater Manchester (TfGM)

Environmental Health - Contaminated Land

Greater Manchester Joint Minerals Plan

Air Quality

Health and Safety Executive

Ecology

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No

Ownership Certificates and Agricultural Land Declaration

Certificates under Article 14 - Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended)

Please answer the following questions to determine which Certificate of Ownership you need to complete: A, B, C or D.

Is the applicant the sole owner of all the land to which this application relates; and has the applicant been the sole owner for more than 21 days?

- ☒ Yes
- ☐ No

Is any of the land to which the application relates part of an Agricultural Holding?

- ☐ Yes
☒ No

Certificate Of Ownership - Certificate A

I certify/The applicant certifies that on the day 21 days before the date of this application nobody except myself/ the applicant was the owner* of any part of the land or building to which the application relates, and that none of the land to which the application relates is, or is part of, an agricultural holding**

* "owner" is a person with a freehold interest or leasehold interest with at least 7 years left to run.

** "agricultural holding" has the meaning given by reference to the definition of "agricultural tenant" in section 65(8) of the Act.

NOTE: You should sign Certificate B, C or D, as appropriate, if you are the sole owner of the land or building to which the application relates but the land is, or is part of, an agricultural holding.
