Details of the pre-application advice received

Hi,

Yes, I expediated the validation and will be the case officer for the application, you should have received the acknowledgement letter. I will try to get the application decided swiftly once the consultation period has expired.

As discussed on the phone the proposed extension at 4 Hazel would be too high when measured from the adjacent ground level, as such this will either need reducing in height or a householder application submitted for the proposal. If you decide to submit the householder application, I will expedite that application too in the same way as for Westminster.

Kind Regards

## Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff  
(b) an elected member  
(c) related to a member of staff  
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

☐ Yes

☒ No
